PROFESSIONAL EXPERIENCE

*July 2004 to **PRESENT** Public Process Consultants*

Sandy Wren continues to provide the professional service she has always provided under the banner of Public Process Consultants. The expertise provided by the company has been expanded to include the management of Environmental Impact Assessments. PPC continues to offer expert participation process design, planning and management of participatory processes. Public Process Consultants is a balanced team offering extensive experience in the design and management of public participation processes coupled with expertise in and sensitivity towards the biophysical sciences as well as the needs of the formerly disadvantaged community in addition to above average report writing and administration skills.

May 2000 to June 2004 Sandy & Mazizi Consulting cc.

The main focus of the company continues to be in the area of social involvement in the various stages of development with its majority expertise in public participation in EIA's, SEA's, and policy development processes. During this period, Sandy developed experience and expertise in the management of Environmental Impact Assessments.

May 1997- April 2000 Public Process Consultants

In May 1997 Sandy Wren opened public process consultants, which specialises in Public Participation Processes for EIA's and SEA's. In order to meet the requirements for Black Economic Empowerment Sandy Wren established Sandy and Mazizi Consulting with her former employee Mazizi Msutu. This provided Mr Msutu with a 50% equal share holding in the business. The services formerly provided by Public Process Consultants continued to be provided by Sandy and Mazizi Consulting cc.

1995

Regional Director, Idasa Eastern Cape

As Regional Director of IDASA Sandy gained extensive experience in project management, co-ordination, training and facilitation of various interest groups, levels of government, community organisations, and other structures within civil society. Sandy while at Idasa covered the following projects:

- Facilitation of the establishment of non-racial local government structures in the Eastern Cape
- Administrative co-ordination of the development of a regional economic development plan
- Conference co-ordination
- Voter Education Training and Co-ordination
- Community Courts Conference co-ordination
- Community facilitation for Local Government Structure Plans
- Public Participation process design and management
- Public participation for Strategic and Environmental Impact Assessments

Regional Coordinator, Idasa Eastern Cape

Responsible for project planning, budgeting, coordination of conferences, meetings and events. Main focus of activity bringing about non-racial local authorities, first non-racial local authority established in Port Elizabeth. Voter education and training for the first democratic elections and coordination of observers.

Vehicle Sales, Avis Rent a Car

Responsible for the sale of vehicles to trade and the public as they were retired as rental vehicles

Sales, Pierre's Diamonds, St Thomas, US Virgin Islands, Caribbean

Responsible for the design and sale of precious stones to passing trade.
